Population Health Subcommittee
Framework Strategic Session
Hubert Humphrey Building, 200 Independence Avenue, SW
Room 705-A**

**Friday, June 13, 2014
8:00am – 3:00 pm**

The goal of the June 13, 2014 Framework Strategic Session is to turn the concept of the framework into concrete steps. The participants will work with facilitator, Oscar Morgan in exploring use cases while focusing on timeliness and granularity as methods.

Workshop Objectives:

1. Build out a draft of the Data Continuum and Methods Frameworks (DC/MF) and test them against a hypothetical use case;
2. Integrate emergent themes of timeliness and granularity as examples;
3. Explore how DC/MF might assist Community Data Readiness (CDR); and
4. Incorporate the DC/MF into the Plan the 2-day Fall CDR Roundtable
