

Reflections

How does this fit with your experience?

- ✧ What other experiences/observations would you add?

What do you see as the greatest benefit(s)...?

- ✧ What's most exciting about having community-level core measures?

Other questions that are coming up for you?

Advancing Domains of Measurement...

What constitutes success?

✧ How will we know? What will we see?

Propose specific enhancements to the domains

✧ Collapse? Remove? Add? Clarify?

What will be the keys to success?
