Expert Roundtable Meeting on Health Terminologies and Vocabularies
July 17-18, 2018
HHS Headquarters, Hubert Humphrey Building
200 Independence Avenue, SW, Room 705-A
Washington, DC 20201

Meeting Objectives:
- Reach shared understanding on the current state as described in the Environmental Scan Report, including the assessment of strengths, weaknesses and gaps in the US health terminology and vocabulary (T/V) environment.
- Consider areas for near term improvement in the development, maintenance, dissemination and adoption of named code sets.
- Discuss opportunities for improved governance, coordination and communication across terminology and vocabulary developers and their stakeholders.
- Identify top priority gaps in the US health terminology and vocabulary coverage.
- Envision a roadmap for introducing improvements over the next decade.
