Improve health
information & data
policy by taking the
long view

Approach to Achieving Strategic Goals

The Health T & V Project

NCVHS Project Selection Criteria

Guidelines for Committee deliberations on the prioritization of NCVHS work:

1. Be consistent with NCVHS' mission and be appropriately scaled;
2. Be complementary and aligned with one another to advance the goals and objectives in NCVHS' Strategic Plan;
3. Result in information or recommendations that are actionable by the HHS Secretary in partnership with state and local organizations and agencies when appropriate, or actionable by the private sector;
4. Fulfill mandated requirements; and
5. Take into account urgency and resources available to ensure project completion.

Committee Roles and Process

- **Subcommittees**
 - Proposes projects for the NCVHS workplan
 - Develops project scoping documents
- **Workplan**
