

NCVHS Subcommittee on Standards Hearing on Proposed CAQH CORE Operating Rules

AUGUST 25-26, 2020

KATHERINE KNAPP
PROGRAM ANALYST
VETERANS HEALTH ADMINISTRATION

Veterans Health Administration

- Largest integrated healthcare system in the US
- Sent and received over 80 million healthcare transactions in 2019
- VA's internal Prior Authorization software was developed and ready to test in 2016

Anticipated Value of Proposed Operating Rule(s)

- Reduce administrative burden and provide better and faster care for patients

Anticipated Concerns about Proposed Operating Rule(s)

- Uncovering healthcare payers with which to test
- Administrative burden on UR staff
- Operating Rules does not mandate all UMOs to utilize the 278 transaction
