

Final Agenda
National Committee on Vital and Health Statistics
Workgroup on Timely and Strategic Action to Inform ICD-11 Policy
ICD-11 Expert Roundtable Meeting – hybrid format
August 3, 2023

HHS Headquarters, Hubert Humphrey Building
200 Independence Avenue, SW, Room 505-A
Washington, DC 20201

Meeting Objectives:

- Identify the adoption and implementation issues, and research questions, that are most critically important to study and to have information on to support ICD-11 policy recommendations.
- Obtain input on development of a collaborative plan, including a potential timeline and allocation of resources needed to conduct studies and assessments, gather information about solution options, and establish an ongoing community of interest for coordination.
