

National Committee on Vital and Health Statistics
Advising the HHS Secretary on National Health Information Policy

National Committee on Vital and Health Statistics 2024 Report to Congress

April 11, 2024

Report to Congress in Statute

- Responsible generally for advising the Secretary and the Congress on the status of the implementation of part C of title XI of the Social Security Act.
- Assists and advises the Secretary in complying with the requirements imposed under Part C of Title XI of the Social Security Act.
- Studies the issues related to the adoption of uniform data standards for patient medical record information and the electronic interchange of such information, and report to the Secretary recommendations and legislative proposals for such standards and electronic exchange.

...shall address the following subjects, to the extent that the Committee determines appropriate:

- The extent to which persons required to comply with Part C of the Act are cooperating in implementing the standards adopted under such part;
- The extent to which such entities are meeting the security standards adopted under such part and the types of penalties assessed for noncompliance with such standards;
- Whether the federal and State Governments are receiving information of sufficient quality to meet their responsibilities under such part;
- Any problems that exist with respect to implementation of such part;
- The extent to which timetables under such part are being met.
